

APPENDIX E

Regulatory Compliance Assessment: Permit Requirements

The goal of this assessment tool is to help you identify the regulations that apply to your operation. For each issue listed in the left column, identify if this issue is regulated by federal, state, or local authorities (middle column) and determine if your operation complies with these rules (right column).

Regulatory issue	Is this issue addressed by regulations? If "Yes," summarize those regulations.	Is my livestock/ poultry operation in compliance?
